5/19/77

Dear Cousin,
I hope your life be like
the subject "Arithmetic".
Joy added, sorrows subtracted
of friends multiplied and of me
undivided.

Mike,
It has been super knowing
you better this year. Ever
though we have known each other
anyway. When we took the trip to Car-
winds, I think it made us closer than ever
because we didn't reach it on time. Next time
we are suppose to take a trip let's end up there
our time. S.K. Please next time let's don't go to
S.C. because we have been there so much this
year. Mike I can't express my feeling toward
you and paper because theirs hard to express.
Sorry my handwriting is going down hill
but people keep disturbing me. I'm glad our
family is close, closer than ever. Mike you
are is - - - - - up now.

Love ya!!!
Karen Hingo

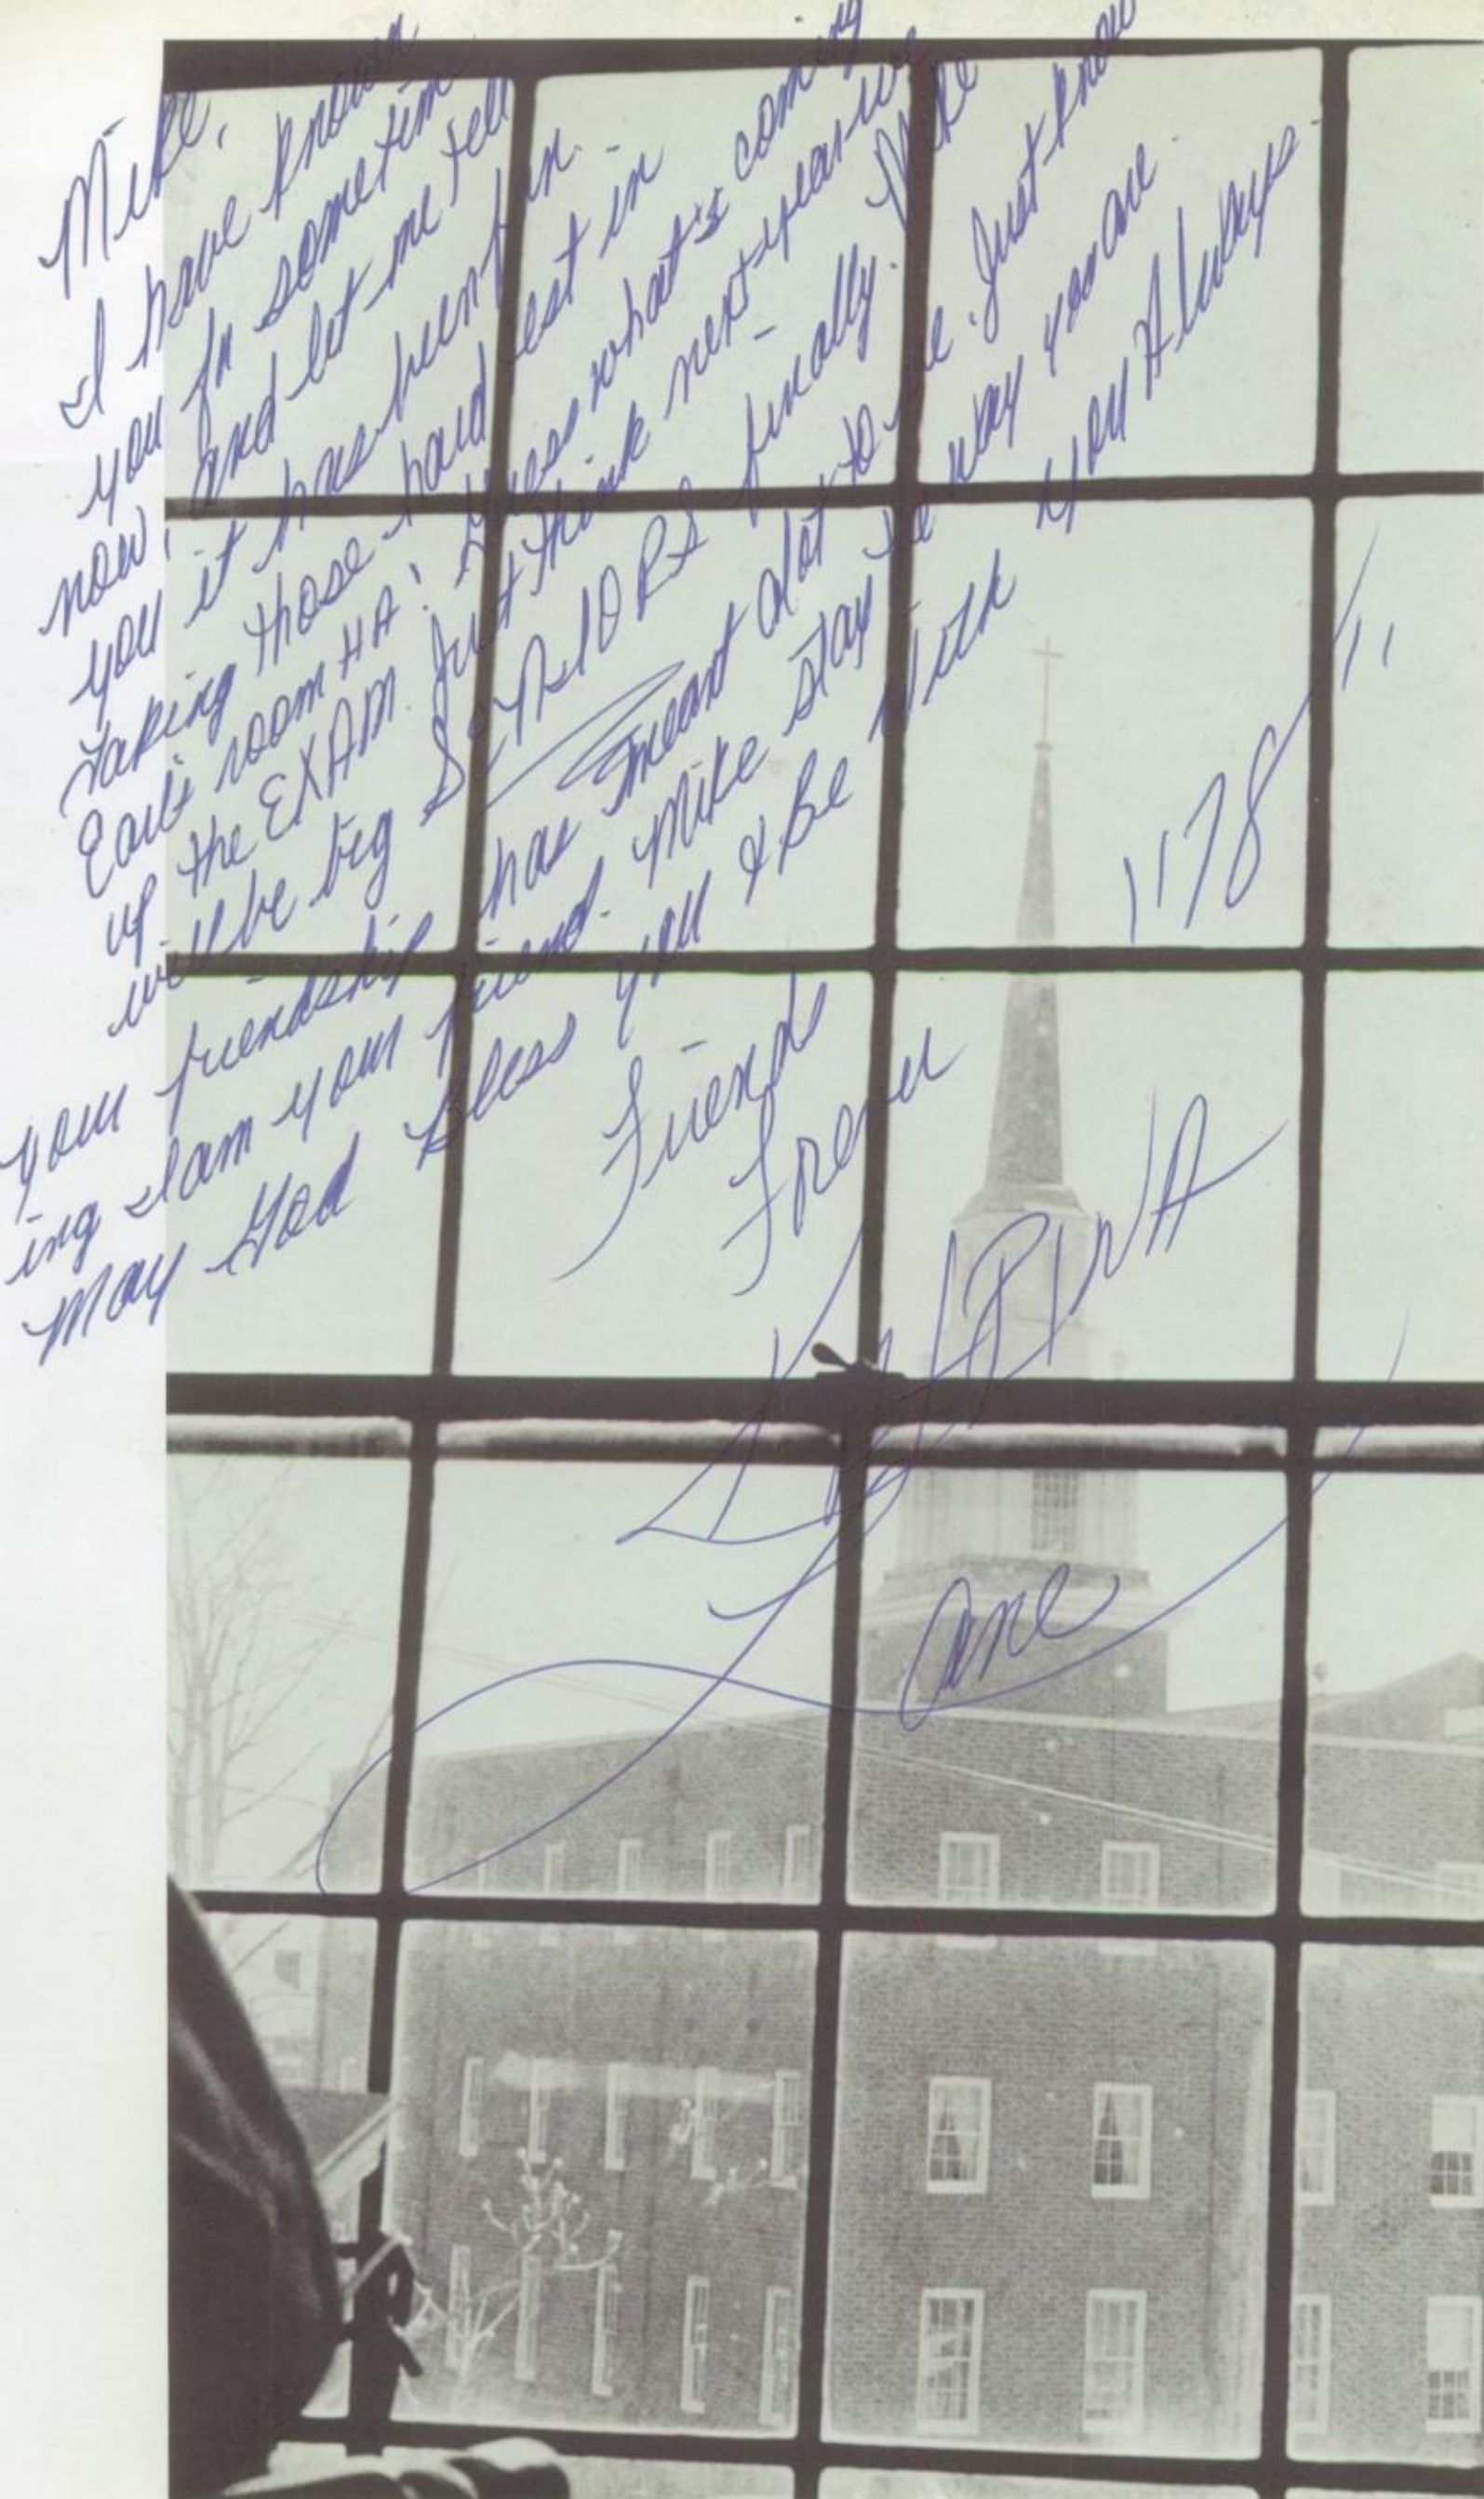

P.S. Please take care of yourself
Remember me always.

Mike,
Well, it's been a
long, long time has
it? We've known
each other and
have been friends
just as long. You have
proved to be a good
friend to me and
to everybody else.
You are truly a
great person as
well as a versatile
athlete. Keep with
the 440 and the
triple jump, etc.
and you'll go far.
Good luck in the
future in every-
thing you do.

Friends,
Keith C. 78

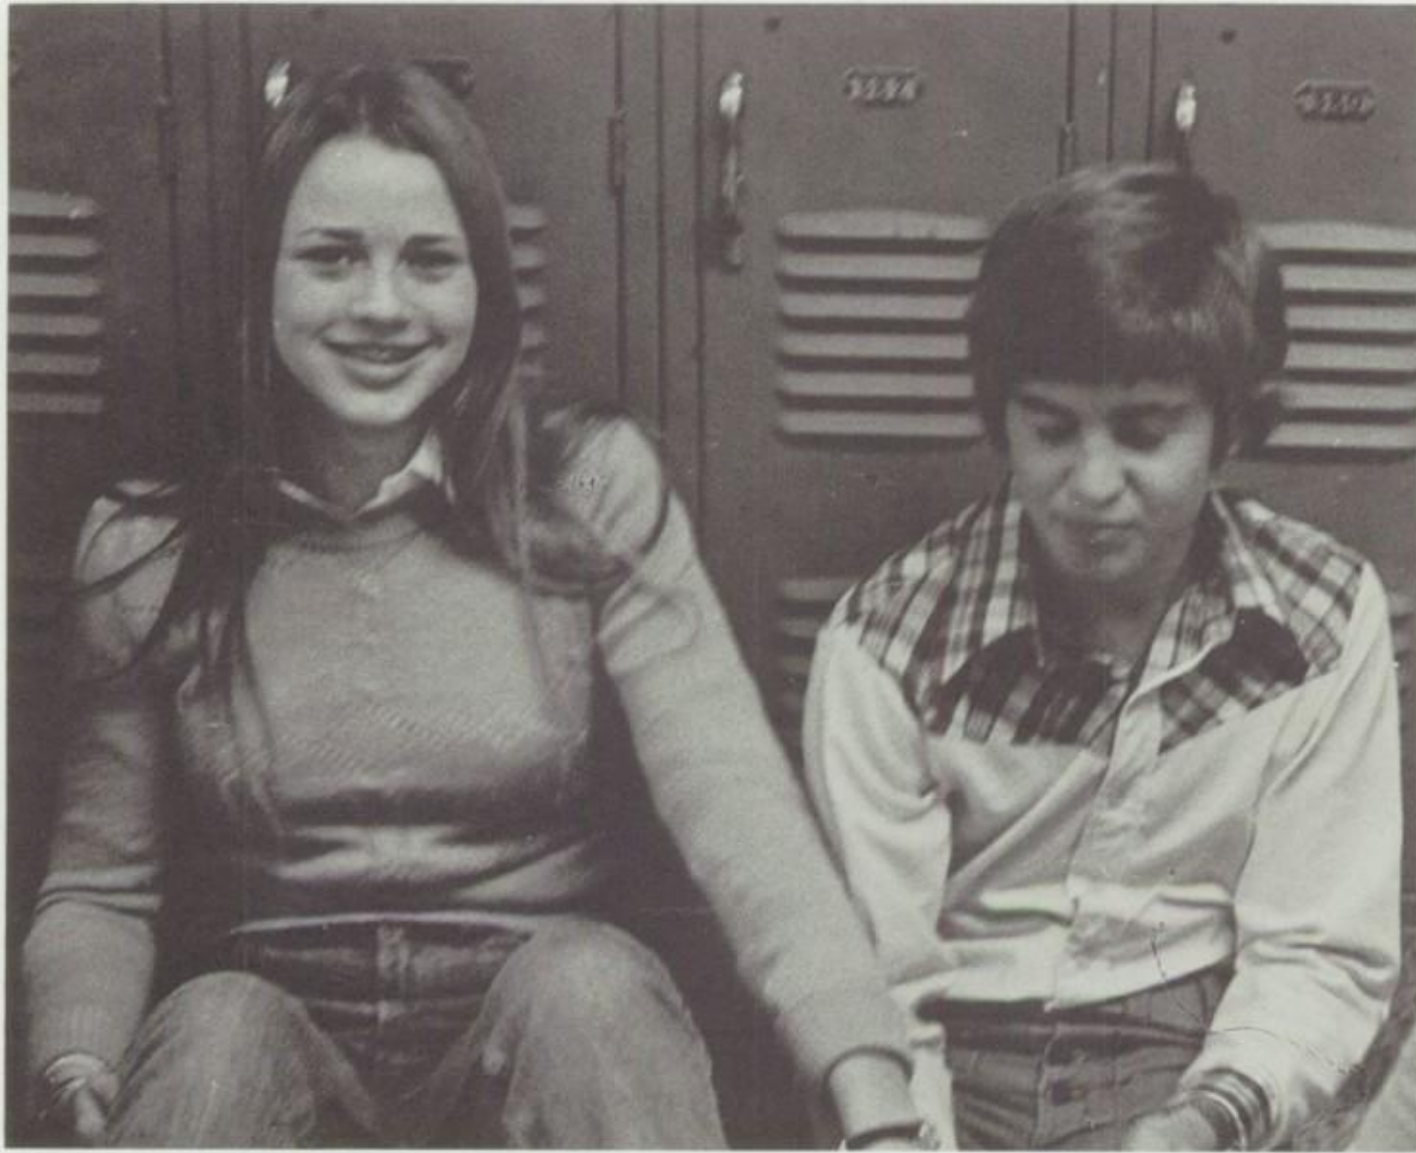

P.S. I owe everything to
you for pulling me
through the 6th grade.

 it will be our last. I hope you make it out of High School
 next year. Have fun during the summer

I hope you don't mind me writing on this page, but everything is filled up. I don't know where to start in here because you're such a good friend and I've got a lot to say. I hope you had a good year. Just think, after next year we'll finally be ~~seniors~~ Through. It seems like as each year has gone by we've become better friends. I'm sorry we weren't in more classes this year. I know we'll be in two classes next year at least (Carl's big class). I finally made it to the symphonic band so I'll be in that class with you. Those band trips next year should be good, especially the trip to Miami. We're going to have to party together on those trips

I'm just kidding, I think you ought to have a good time and have all the social life you want. Good Luck in track next year. I'm sure you can burn those laps up there, maybe even meet some new women! I hope you have a great year next year and accomplish everything you want to, I'm sure you will. Well so much for next year. We're going to have to go off some this summer. Of course I'll be working in the Old Cotton Factory. I hope you get a job, maybe we'll be working together. I better see you some this summer, though, we can find some place to go since the Point is so full of excitement. I guess you'll probably be with Kissele a lot this summer, you should she's a nice girl. Thanks for being such a good friend. If there is ever anything I can do for you please tell me. Good Luck Always. Let's stay best of friends always.

P.S. Have a good summer.
I'm sure you'll pass 2nd year. I Thanks for the letters & the

IN MEMORY

Debbie

Mike,
 This years just about
 over, and I hardly got
 to talk to ya. I really
 do miss talking with
 you like I use to. I
 hope next year I'll
 see more of you. I
 hope you succeed in
 everything you attempt
 you're one of the best
 athletes I know. You're
 just plain out GREAT!
 Hope you have a
 nice ~~trip~~ summer
 and I'll see ya
 next year. (Hopefully)
 Best Luck Always

"79" Love Ya,
 Debbie
 Phillips

I really can't explain what happened between us, you & I. I knew my reasons why I guess there was something about you. I don't have any hard feelings towards you even though my ego was bruised. I never felt like some as I. I would soon realized that you couldn't put someone out of your mind if they mean so very much to you. I'm sorry for my hard feelings that in the last year I have become even closer with me. You're an indescribable person that I could ever imagine. You've brought me the most of being the strongest person.

If you keep on trying to meet that goal that we all live to reach, you'll surely be successful. Again I'll say amongst all of the other young ladies that you meet in life, remember me as one of the special ones, because you're special to me.

These people did a fine job and spent many hours at work to bring this yearbook to you. I would also like to thank the following people, Linn Van Poole, my brother, because I couldn't have done it without his help; Curtis Barnes, who helped to prepare me for this demanding job; Kristin Andes, who was very patient and understanding with me during dead-line time. I especially want to thank my parents, who told me many times that I shouldn't have taken the job of Editor, but who offered much needed support throughout the year. To Mrs. Bess Oxendine and family I owe a big thanks for not only opening your house to us, but for believing that we could do the job and especially Laura Oxendine, for the deadlines wouldn't have been the same without her.

Special thanks go to: Mr. King and the Faculty, who allowed the staff and myself to miss classes whenever necessary; to Dennis Starnes, for letting us use one of his pictures for the Ads Division page; School Pictures and the Holbrooks for the senior pictures; Charles and Bill Hunter and the people at Hunter Publishing, who were so very patient with us.

It is hard for me to believe that this year is so close to being over and becoming only a memory, I want to thank each and every one of you for helping to make this yearbook a success, I wish you all knew how much time was spent on it, and exactly what went into it. I would like now to apologize for any mistakes you might find. . . We did our best to avoid them, but some always seem to slip in on us. Thank you, Kannapolis, for having such great people, and A.L. Brown for having such great students.

Mike,

It has been fun being in 6th period with you this year. The class wouldn't have been the same without you & your (Farrah smile). The trip to Washington was a blast. Thanks for causing such a racket on our bus, but thanks mostly for just being you. You are a wonderful friend & I'm sure you'll go far in life. Have a nice summer, take care & be good. I'll see ya next year when we're finally Seniors!

SORRY about
my mistakes
and all of my
mistakes. But
you'll get my
message

Mike, I really do like you a lot, but I feel
that this year just wasn't my year. I had
my ups and downs with everybody. Mike I
feel the reason our friendship was lost at a
certain time, and to be honest I feel that most
of it was your fault, (don't get me wrong
I still and always will love you as a
friend). Mike you took the biggest part
of our friendship away from me. And I'm
sorry to say I just can't forget it. But
I still like you. You are a very sweet and
nice young man. You are also very stubborn
at times, but I'm like that myself. I feel
that you got your own ways just like I
got mine. Sometime I believe that even true
friends like I consider us let attitudes get
in our way. But I'm glad we let our
friendship go on. I can look back
and see some good times and some bad times
but mostly good times. Do you remember
all of these times we party together, Mike I
will never forget those times and I hope that
you won't either. You know I used to feel that

(SORRY)
there was no party if you weren't there. (They) don't
forget that me you and Eric and Jane was the ones who
made the parties (SORRY) parties (Smile) Mike there were times when
I was in fault with our friendship, it was my attitudes. But
I hope it's not too late to say that I am very sorry, Mike
I said my mind wasn't together at all. I did a lot of stupid
things and said a lot of stupid things. Mike there were times
when our friendship was on my mind more than my studies
were. Mike I'm only saying what's on my mind I don't
care whether you feel the same or not. I feel that we are
good friends now but not like we were at the first of the
year. Just for the good old times I still love you and
always will. Mike I'll be leaving June 13 to go to
Shenandoah and I hope that we can get together before
that time. Mike don't get mad, but the only reason I said
all of this is because I care. And most of all please don't forget
about me and you know I want to forget about you. Love eternally,
"The Starbuck"

We've really had a good year

much in store for us next year
esp. since we'll be Seniors! I
can't believe it. I can remember
back in the 8th & 9th grades - I
didn't really know you. But look
at us now. You've helped me so
much esp. when I was down (fights
with B.T.). You really are a true friend.
I could always be open with you &
you would always give me your opinion
on some things. Mike, I appreciate
everything you've done for me. I hope
that somehow next year I'll be able
to repay you. If you ever need me
for any reason please let me know.
Please be good and remember we'll
always be around. Good luck
with the chicks. Even tho you
get them easily - Hope I
see you this summer -

Take Care -
Love you,

Mike,
I've enjoyed knowing you these past years.
We've had some great times. Even in the 1st grade
I can remember how we use to clown around on the
basketball team. Ever since then it seems we get
to know each other a little better every year. I hope I'm
in a couple of your classes next year, I've enjoyed being
in the same homeroom with you this year. Hope to see
you this summer but if I don't, stay like you are
until next year. See ya around.

 working at the funeral home, I am making a lot

 me know. Keep on getting your hair cut so you
 can say that you still say that you have the
 shortest hair in the school! Well, you know where
 I live so come see me this summer. e. d.

I don't have much to say. Because
in my little black book you're my

So it seems that you have been

things. I think that's wonderful!
But what about that boy you have
been dating the last couple of years.
How's he doing? Someone told me that
you and where engaged is that also true?
